

OKX Senior Product Designer

Dec 2025 - Present

Payments and Trading on OKX.

Magic Eden Senior Product Designer

Sept 2022 - Nov 2025

Magic Eden acquired Slingshot Finance in April 2025. I continued at Magic Eden by leading end-to-end product design of the Magic Eden Wallet 2.0, delivering an enhanced trading experience with embedded wallet, unified USDC, fiat on/off ramp, advanced order types, PnL, charts, onboarding flow, and AI-assisted token analysis.

Slingshot Finance (Acquired by Magic Eden)

Lead Product Designer

Sept 2022 - April 2025

Owned and led full product design across Slingshot’s web and mobile trading apps, driving a cohesive user experience that contributed to the company’s acquisition by Magic Eden.

Malvin Design Owner

Feb 2020 - Sept 2022

Worked with high-profile clients including Facebook, Siemens, Chainlink, as well as early-stage startups.

Apple Product Designer

Oct 2018 - Feb 2020

Fully designed an internal product requirements platform to streamline collaboration between Apple engineering and business teams while leveraging Apple’s Human Interface Guidelines.

Salesforce User Experience Designer

Dec 2015 - Oct 2018

Driving the design of strategic, user-centered digital experiences and products for customers and enterprise partners on Salesforce.com.
